Sir,

Sub; - Committees - Market Committees - The Bellary District Cotton and Groundnut Market Committee Extension of term - recommended.

Ref; - G.O.Ms. 1672 dated 30-8-50.

In their order cited, the Government were pleased to nominate members to the Bellary District Cotton and Groundnut Market Committee Bellary for a period of one year from 30-8-50. Within six months from that date the lists of growers and traders eligible to vote should have been compiled, but as the Tahsildars were over-burdened with the taking of the bullock-cart census, livestock census, the census of small scale industries and the 1951 census, among other important additional items of work, it was not possible for them to prepare the electoral rolls in time. In the result, the election of members to a fresh committee could not be held. As the rolls are ready only now, elections can be held only on 1-11-51 The present nominated Committee has been in office for too short a time to be able to achieve the objects it had set about. I submit, therefore, that the Government may be pleased to extend the term of the existing Committee at least upto 31-12-51 under section 6 (4) (ii) of the Madras Commercial Crops Markets Act, 1933 as the market committees are observing the calendar year as their official year, the proposed extension will secure the synchronisation of the official year of the Committee with its term of office.

Sir,

Sub: Committees-Bellary district Cotton and Groundnut Market Committee-Extension of term of Office of members.

Ref: G.O.Ms.1672 Food and Agriculture dated 30.8.50.

I am submitting herewith letter No.Rc.7577/51.B2 dated 5.8.51 of the Collector of Bellary requesting Government to extend the term of the existing Bellary District Cotton and Groundnut Market Committee at least upto 31.12.51 under section 6(4)(ii) of the Madras Commercial Crops Markets Act 1933, as the elections can be held only on 1.11.'51.

2. The Bellary District Cotton and Groundnut Market Committee has been assigned an important work this year, namely, restriction of purchase and sale of cotton and Groundnut to the market yard at Adoni for a distance of five miles from it (G.O.Ms.921 Food and Agriculture dt. 7.5.51). This is to be started on 1.1.1952 when the existing licences expire, but preliminary work is being carried on even now. A sitting Committee is therefore necessary to perform all the work connected with the scheme for restricting purchase and sale to the market yard, framing of special rules etc., and if the elections cannot be conducted now it is better to continue the existing committee.

3. The Collector of Bellary has recommended that the period of the existing committee may be extended upto 31.12.51 This, I consider will create difficulties, as it will be the day on which compulsory sales will have to be taken up at Adoni. A new committee on this date will have to start anew and cannot perform the functions satisfactorily. Even if elections are conducted on 1.11.51, it will take atleast two months more to complete the committee by nomination and elect the Chairman and Vice-chairman and start work.

4. In the circumstances, I consider it desirable that the term of the existing committee be extended till 31.3.52, so that the continuity of work may be maintained. The Collector of Bellary may, in the meantime, be requested to complete the elections, as early as possible, so that the new Committee be installed by 31.3.52. By that time the existing Committee would have started the work of restricting purchase and sale to the yard at Adoni.

5. I also suggest, that pending orders of Government regarding extension of time, the Collector of Bellary may be instructed to perform the functions of the Committee under section 6A of the Madras Commercial Crops Markets Acts 1933, the new Committee is set up.

To U.S.

When the entire Bellary district (inclusive of the Adoni area originally notified) was notified under the Madras Commercial Crops Markets Act in respect of cotton and groundnut a District Market Committee was constituted and all the members were nominated by the Govt. for a period of one year from 30-8-1950. The names of the members will be found at p 19 c.f. of G.O. 1672 F & A dated 30-8-1950. The term of office of these members will expire on 29-8-1951. The Collector of Bellary has now submitted proposals through the D.A. for extension of the term of office of the members till 31-12-1951 as it is not possible to hold elections before November 1951. The Director may be asked to expedite his remarks. Subject to orders & Draft D.O. is submitted.

Amedas D.O. 55354/P/57-1 dt 13.8.57
from the D.A. NO. C1.920/57 dt 23.8.57

To U.S

The case deals with the proposal for extending the term of office of the members of the Bellary District Cotton & Groundnut Market Committee. The term of office of the present nominated members will expire on 29.8.51. The Collr of Bellary has proposed that, as elections to the new committee can be conducted only on 1.11.51, the term of office of the present members may be extended upto 31.12.51, so that the proposed extension will secure the synchronisation of the official year of the Committee which is the calendar year. The D.A, however, refers to the recent orders for restricting purchase and sale of cotton and groundnut to the market at Adoni which will take effect from 1.1.52 and states that a sitting committee is necessary to perform all the work connected with the scheme and that a new committee will have to start anew and cannot perform the functions satisfactorily. He adds that, even if elections are conducted on 1.11.51 it will take at least two months more to complete the committee by nomination (the Govt have the powers to nominate fixed number of members to the committee) and elect the Chairman and Vice-Chairman and start work. He therefore considers it desirable that the term of the existing committee be extended till 31.3.52. There seems to be much force in the suggestion of the D.A. For orders

DS phoned me up and told me last he received a Trunk Call from the Chairman Jt. Bellary market Committee to say that the term of Committee will be expiring today. I don't think this is correct. As far as I remember, the Committee has its term till 31.8.57. However, the order extending its term has been passed & legal opinion and has also been perused by legal. D.S. now suggests that we may issue a Telegram today to the Chairman informing him of the position. Pls see draft.
